

# CareFusion® Learning Portal

A new way to learn about our products.

A new Web Based course is now available on the CareFusion Learning Portal for customers using the AVEA® Ventilator.

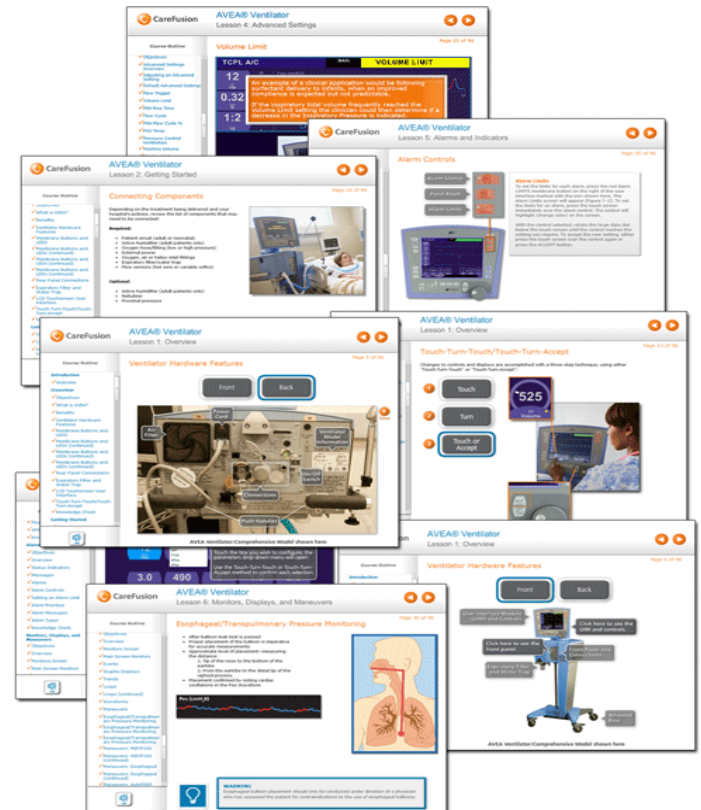

This course will orient users to features and functions on the AVEA® and explain how to use the device.

The course is aimed at Clinicians who already have experience using mechanical ventilator support.

The course number is:  
**CLP1097 - AVEA Ventilator**
