

The CareFusion Learning Portal

A new web-based course is now available on the CareFusion Learning Portal for customers using the 3100A High Frequency Oscillatory Ventilator.

Access the CareFusion Learning Portal at:

<https://clp.carefusion.com>

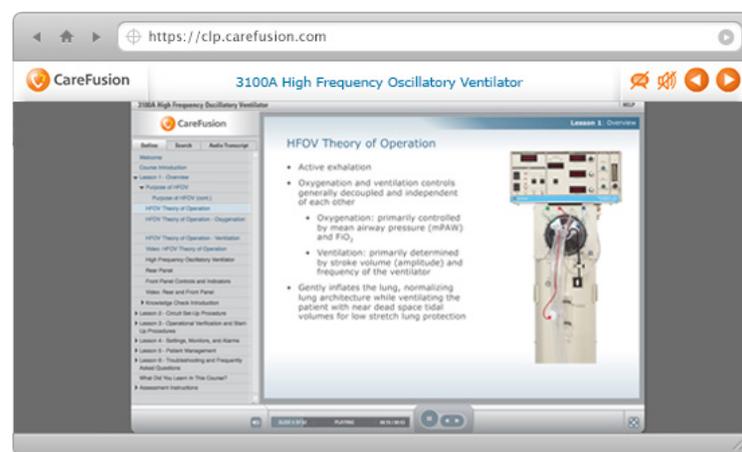

The course number and title is:

CLP1211: 3100A High Frequency Oscillatory Ventilator

This course will provide an overview of operating the high frequency oscillatory ventilator (HFOV).

Follow these steps to get started:

1. Open <https://clp.carefusion.com>.
2. Select **Register**.
3. Enter your contact information, and select a username and password.
4. Select **Submit**, and watch for an email from **CustomerLearning@CareFusion.com**.
5. Click the link to activate your account and then log in with the username and password you selected in step 3.
6. Click the TRAINING CATALOG link and search for your selected course number and title.
