CareFusion Learning Portal

A new web-based course is now available on the CareFusion Learning Portal for customers using the **end-tidal CO_2 monitoring and volumetric capnography.**
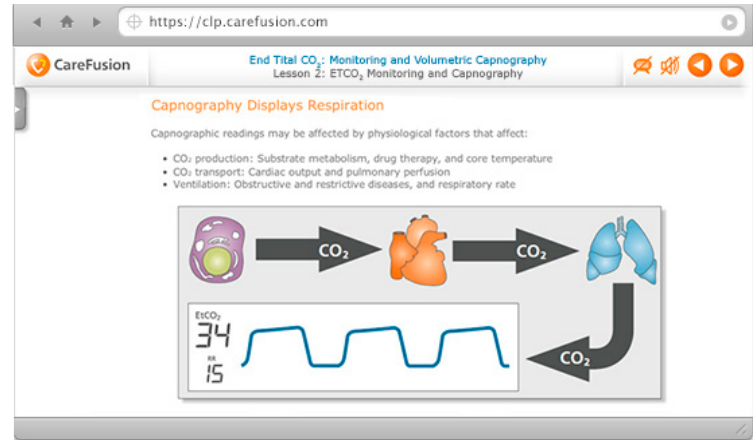

Access the CareFusion Learning Portal at:

https://clp.carefusion.com

Course number and title:

CLP1116: End-Tidal CO_2 Monitoring and Volumetric Capnography

This course will introduce the basic principles of end-tidal CO_2 monitoring and the applications for the VELA™ and AVEA™ ventilators.

To get started:

1. Go to **https://clp.carefusion.com**

2. Select **Register.**

3. Enter your contact information, and select a username and password, if you don't already have them.

4. Select **Submit**, and watch for an email from **CustomerLearning@CareFusion.com.**

5. Click the link to activate your account and then log in with the username and password you selected in step 3.

6. Click the TRAINING CATALOG link and search for your selected course number and title.
