Neonatal Respiratory Symposium
Advances in Noninvasive Care

Sunday, December 7, 2014
10:00 – 15:30
Omni Shoreham Hotel
2500 Calvert Street NW
Washington, DC 20008

We invite you to this Hot Topics in Neonatology satellite symposium hosted by Fisher & Paykel Healthcare, featuring experts in neonatal care discussing current and emerging noninvasive respiratory support strategies.

PLEASE REGISTER YOUR INTEREST
Contact Ali Cromack: neonatal@fphcare.co.nz

FACILITATOR
Dr. Richard Polin
Professor of Pediatrics and Director of Neonatology, Columbia University and Morgan Stanley Children’s Hospital of New York, NY, USA

SPEAKERS
Dr. Neil Finer
Professor Emeritus, Department of Pediatrics, Division of Neonatology, The University of California, San Diego, CA, USA
Dr. Richard Polin
Professor of Pediatrics and Director of Neonatology, Columbia University and Morgan Stanley Children’s Hospital of New York, NY, USA
Dr. Peter Davis
Professor/Director of Neonatal Medicine, The University of Melbourne and The Royal Women’s Hospital, Melbourne, VIC, Australia
Dr. Jeffrey Gerdes
Associate Professor of Pediatrics, University of Pennsylvania and Associate Chair, Department of Pediatrics, Children’s Hospital of Philadelphia, PA, USA
Dr. Bradley Yoder
Professor of Pediatrics and Neonatal ICU Medical Director, The University of Utah and The University Hospital, Salt Lake City, UT, USA

| 10:15 – 10:20 | Welcome and introduction                                                | *Justin Callahan*  
President, Fisher & Paykel Healthcare USA  
*Matthew Payton*  
General Manager, Respiratory and Acute Care, Fisher & Paykel Healthcare, Auckland, New Zealand |
| 10:20 – 10:25 | Introduction of guest speakers and topics                              | *Dr. Richard Polin*  
Professor of Pediatrics and Director of Neonatology, Columbia University  
and Morgan Stanley Children’s Hospital of New York, NY, USA |
| 10:25 – 10:55 | Delivery room management – reducing invasiveness                       | *Dr. Neil Finer*  
Professor Emeritus, Department of Pediatrics, Division of Neonatology, The University of California, San Diego, CA, USA |
| 10:55 – 11:05 | Discussion and questions                                                |                                                                                               |
| 11:05 – 11:35 | Noninvasive respiratory support – overview of existing and emerging therapies | *Dr. Jeffrey Gerdes*  
Associate Professor of Pediatrics, University of Pennsylvania and Associate Chair, Department of Pediatrics, Children’s Hospital of Philadelphia, PA, USA |
| 11:35 – 11:45 | Discussion and questions                                                |                                                                                               |
| 11:45 – 12:15 | Noninvasive respiratory support – CPAP or NIPPV?                        | *Dr. Richard Polin*  
Professor of Pediatrics and Director of Neonatology, Columbia University  
and Morgan Stanley Children’s Hospital of New York, NY, USA |
| 12:15 – 12:25 | Discussion and questions                                                |                                                                                               |
| 12:25 – 13:15 | LUNCH                                                                  |                                                                                               |
| 13:15 – 13:45 | Noninvasive respiratory support – CPAP or Nasal High Flow?             | *Dr. Peter Davis*  
Professor/Director of Neonatal Medicine, The University of Melbourne  
and The Royal Women’s Hospital, Melbourne, VIC, Australia |
| 13:45 – 13:55 | Discussion and questions                                                |                                                                                               |
| 13:55 – 14:25 | Nasal High Flow in clinical practice – towards a clinical practice guideline | *Dr. Bradley Yoder*  
Professor of Pediatrics and Neonatal ICU Medical Director, The University of Utah and The University Hospital, Salt Lake City, UT, USA |
| 14:25 – 14:35 | Discussion and questions                                                |                                                                                               |
| 14:35 – 14:55 | PANEL DISCUSSION Future directions in noninvasive respiratory support  | *Dr. Richard Polin*  
Professor of Pediatrics and Director of Neonatology, Columbia University  
and Morgan Stanley Children’s Hospital of New York, NY, USA |
| 14:55 – 15:05 | Summary and close                                                       | *Dr. Richard Polin and Matthew Payton*                                                       |
| 15:05 – 15:30 | REFRESHMENTS                                                           |                                                                                               |
